

**Week Five**  
**Genesis 25:1-11**  
**Living a Life of Legacy**

**Day One:**

**Read Genesis**

How many sons did Abraham have in all?

Who did he leave everything to and why?

In verse 6, from what you've learned in this study, why do you think Abraham sent his sons "to the land of the east?"

In verse 8, what do you think "gathered to his people" means?

Who buried Abraham? Do you think this was a hard task? Why or why not?

**Day Two:**

**Read Genesis**

We've come to the end of Abraham's life. We've been told that he was a friend of God. He is the father of all nations and is probably the only name that every nation knows because of his life. So how can you live a life that's extraordinary? How can you leave a legacy for those who come after you?

List below five characteristics of Abraham that have made an impact on you from this study.

- 1.
- 2.
- 3.
- 4.
- 5.

*For the next five days, take one characteristic each day that you wrote down and:*

- 1. Pray over that character for your life.*
- 2. Look up scripture that will help you and encourage you to become that specific character as you walk with the Lord.*

*There are many tools to help you in this exercise. You may have a concordance in the back of your Bible that can be used; or you can look online for great resources if you need help. A few good sites are:*
